FUNCTION AND EVENT INFORMATION

.....
At The Library we take function and event bookings on a case by case basis.
.....

The venue is potentially available every day of the year.
.....

We do not charge a venue hire. Rather, we prefer a minimum spend arrangement.
.....

The minimum spend is based solely on the amount of revenue the space you request would usually generate during the time you request.
.....

It follows that the minimum spend is generally lower the earlier you wish your event to start.
.....

Please understand that this is done to ensure we do not lose revenue as a result of hosting such functions.
.....

The whole venue is available exclusively if desired.
.....

We also have a purpose built function room for smaller groups of 45 or less.
.....

Please see our website for our current catering and drinks menu; www.thelibrary.co.nz
.....

If you would like to discuss a function or event booking with us please email bookings@thelibrary.co.nz
.....

We look forward to hearing from you.

Regards,

The Library
.....

Please understand that we do not take bookings for 21st birthday parties.
